Dec - Browning A Bolt .243

Nevada County Farm Bureau Gun Calendar

Thank you for supporting the Nevada County Farm Bureau and agriculture in Nevada County. We are a membership organization and your dues are utilized to support local agriculture and our Ag Education Outreach Programs. This year we are thrilled to offer a fund-raising opportunity that will be as exciting for the sponsors as it is for the participants.

This is our second gun calendar raffle. With each calendar purchased having a better than a 1 in 20 chance of winning! We have a total of 14 guns this year, one raffled off every month in 2019 with a second gun in both June and November. NCFB will sell 275 calendars and the price of each calendar is \$60.00. The firearms raffled off are from the best known manufacturers and includes 2 collectible firearms. Gun registration will be handled through The Range in Grass Valley.

Funds raised by this project will be used to support youth in agriculture through the Junior Livestock Auction and our Ag Education Fund.
